In this document some extra packages and parameters were added. There is an encoding package and pagesize and fontsize parameters.

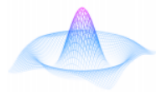

This line will start a second paragraph. And I can break the lines  
and continue on a new line.

Figure 1: a nice plot

As you can see in the figure 1, the function grows near 0. Also, in the page 3 is the same example.

Figure 2: This is a picture of universe

Above, we use the universe picture 2 as a practice. It shows in the page 3.

Figure 3: This is a picture of universe

We use the lion-logo3 as the second practice. It shows in the page 4
